

Demo Certificate

This certifies that

participated of International Conference of Java, hosted by Footprint Corporation

32 hours course on 31 February 2021 – Jupiter University.

This is just a demo template, you must create your own for your JUG events :) We strongly suggest you to use

OpenOffice 2.0+ and also to ask a free certificate at CaCert.

Despite our preference, footprint should work with any PDF and any PKCS12 or Sun certificates
